## **Milena** Margarete Buber-Neumann

Margarete Buber, the journalist daughter of Martin Buber, and Milena Jesenska, the beautiful lover of Kafka, met in Ravensbruck concentration camp in 1940. For four terrible years, the two women formed an extraordinary bond and made a pact that if only one survived, the other would bear witness. Only Margarete lived to remember. This is her story of Milena—of fearless love, sacrifice, and nobility.

Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

### From reader reviews:

#### **Donn Chavez:**

Book is to be different for every single grade. Book for children until adult are different content. As we know that book is very important usually. The book Milena seemed to be making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The reserve Milena is not only giving you more new information but also for being your friend when you sense bored. You can spend your own spend time to read your book. Try to make relationship with the book Milena. You never experience lose out for everything if you read some books.

#### **George Seal:**

Information is provisions for those to get better life, information nowadays can get by anyone from everywhere. The information can be a expertise or any news even a huge concern. What people must be consider while those information which is from the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you have the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Milena as the daily resource information.

#### **Michael Becker:**

Do you have something that you like such as book? The publication lovers usually prefer to choose book like comic, quick story and the biggest some may be novel. Now, why not trying Milena that give your satisfaction preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the method for people to know world far better then how they react when it comes to the world. It can't be mentioned constantly that reading habit only for the geeky man or woman but for all of you who wants to end up being success person. So , for all of you who want to start reading as your good habit, it is possible to pick Milena become your own personal starter.

#### **Betty Dansby:**

Do you like reading a guide? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many problem for the book? But almost any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but novel and Milena or others sources were given know-how for you. After you know how the truly great a book, you feel would like to read more and more. Science e-book was created for teacher as well as students especially. Those guides are helping them to include their knowledge. In other case, beside science publication, any other book likes Milena to make your spare time much more colorful. Many types of book like this one.
