Perspectivas Economicas Regional, Noviembre 2007: Las Americas (World Economic and Financial Surveys) (Spanish Edition) International Monetary Fund

In spite of a slower U.S. economy and recent market turbulence, growth in the Latin America and Caribbean region has continued at a robust pace. This reports explores the resilience of the LAC region to external shocks and the policy challenges involved in sustaining the region's improved fundamentals. The analysis focuses, in particular, on real and financial linkages with the United States, the strength of underlying fiscal positions, and the sustainability of the ongoing credit boom.
