## **The Mirror Of Existence: Stepping into Wholeness** Christine Page

Dr Christine Page invites us to embark on a journey of self-discovery by stepping into the 'Mirror of Existence' where we will find that our own thought processes direct our outer experiences.

She inspires us to 'tune in' on the higher frequencies of intuition and inspiration so that our creative impulses have maximum benefit for all concerned.

Her thought provoking writing and illustrations help us to recognize reflections of ourselves which, until now, were masked; including the beautiful spiritual being who waits within and whom we have so much difficulty acknowledging.

Her book, as a mirror, guides us towards wholeness. All we need are the eyes to see and willingness to enter the experience.
