Do you ever wonder why there is pain, suffering, or injustice in your life? Do you question whether you should blame yourself or others for errors? Do you feel like you don't have much choice sometimes? If you feel like you are stuck in a prison where hopes of getting out of are high but reality shows that you haven't advanced much toward your goals, then this book explains it all why and how this is happening. The Twelve Laws of Living re-examines our reality from a totally new perspective. So, is there a definite solution to our problems, to correct our past mistakes and fulfill our wishes? The author of this book Ardiana Bani answers "Yes, absolutely there is a solution." Here is the good news: there are patterns of events in our life, and also patterns in our behaviour and attitude that can help us predict the end results of our decisions. These patterns are in fact the laws of living and once we learn to recognize them, they will help us realize our best choices. The author of this book would like to invite you to discover these twelve laws of living that subconsciously and in a sneaky way direct our lives.
