## **Versão Beta (Portuguese Edition)** Jan Bitencourt

"Versão Beta é uma análise perspicaz, divertida e comovente da natureza “ficcional” da identidade moderna. O romance faz uma exploração sofisticada dos limites entre realidade e ficção, autor e personagem, do conflito entre vida privada e pública em tempos de redes sociais. Com uma estrutura muito bem construída, a autora vai apresentando e articulando o conflito da personagem e revelando aos poucos que estamos lendo uma história com componentes metaliterários, em que a natureza verdadeira do narrador e de seus personagens estão sendo questionados. Jan Bitencourt conseguiu dar uma cara particular e atual ao tema, se utilizando do jogo de alternância de narradores e tempos verbais, aliados a uma trama bem intrigante.

Comentários de Tati Bernardi – Publicitária e Roteirista

Dizem que todo primeiro livro é uma autobiografia. Daí o escritor amadurece e... continua falando de si mesmo, mas disfarçado de terceira pessoa. Nesse livro Versão Beta a estreante Jan Bitencourt conseguiu somar mais do que todas as “pessoas” possíveis na hora de relatar sonhos, medos, dores, sensações e experiências. Ela teve a proeza de unir narrativas psicológicas com ações bem descritas e aventuras geográficas. Alberta e Beta são malucas pelo amor. E se engana quem pensa que é só o amor romântico, o buraco que fica quando não se tem um “tu” entre as duas possíveis vozes autocentradas de um narrador feminino. No caso delas trata-se do amor por viver e escrever."
