It's so hard to breathe when there's no air...

Walking out of a coffee shop, minding her own business, Destiny never intends to crash into real estate tycoon, Jacob Turner. A chance meeting leads to sweaty sheets, sleepless nights, and a passion she never knew existed. The curve of his lips, the warmth of his breath, his take-charge demeanor; Jacob is proof that charm and chivalry is alive and well.

Jacob had it all... except her. Due to strongholds from his past, he's not ready to let her own him completely. When Destiny pops up in his city, their love affair is challenged by someone who could never take Destiny's place. Getting Destiny to understand that she's the only one he loves proves to be a quest that the billionaire has the means and heart to take.

Will Destiny survive the love of the rich, white tycoon who took her breath away, or will the woman from his past that refuses to let go be the death of her?
