Prefazione di Renata Molho

Una mappa di stile transtemporale, istruttiva e divertente, dove trovano posto moda e design, musica e politica, arte e cinema. Un'insolita storia del costume concentrata in un centinaio di tavole, fitte di notizie e curiosità. Una fonte particolareggiata d'ispirazione e consultazione per fashion victims, studenti d'arte, ricercatori di costume e collezionisti di vintage. Questo titolo è dedicato agli anni Sessanta, gli anni del "tutto è possibile", visti sotto una luce nuova e intrigante. Il libro è corredato da una completa traduzione in Inglese.

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
