Economías solidarias en América Latina (Spanish Edition)

José Guillermo Díaz Muñoz

Economías solidarias en América Latina (Spanish Edition) José Guillermo Díaz Muñoz

A lo largo de todo el mundo se multiplican los casos micro y macro de economía solidaria. Son experiencias que surgen “desde abajo”, empujadas por los “excluidos” por el sistema, como una forma de resistencia a los excesos del modelo capitalista y que hacen patente que otro modo de hacer las cosas y otra economía son posibles, en los que el bienestar de la persona va íntimamente ligado al de su comunidad, y todos colaboran para ello.

El autor aborda el desarrollo de la economía solidaria en América Latina a través de seis casos microrregionales en cuatro diferentes países: México, Brasil, Argentina y Bolivia. Se incluyen experiencias indígenas, campesinas y de trabajadores autogestionados.

Este análisis aporta una mirada fresca y diversa para comprender la complejidad de las prácticas emergentes en la región, con sus alcances y límites, sus contradicciones y complementariedades, su multidimensionalidad, como parte de una auto-eco-organización que se desenvuelve contra viento y marea en una incertidumbre expuesta.

Todo ello convierte a este libro en una referencia obligada para estudiantes, profesores e investigadores de economía, así como para interesados en desarrollar experiencias en la materia y funcionarios públicos que busquen fomentarlas y apoyarlas.
