John Hart

Herodotus and Greek History (Routledge Revivals) John Hart

Herodotus has shaped our knowledge of life, religion, war and politics in ancient Greece immeasurably, as well as being one of the most entertaining of all Classical Greek authors: fascinating, perceptive, accessible and not at all pretentious.

Herodotus and Greek History, first published in 1982, examines the themes and preoccupations which form the basis for Herodotus' style of history. The Athenian nobility, important protagonists in the context of what we know of his sources; the human and divine forces, which Herodotus understood as influencing the course of history; and the concepts of character and motivation are all discussed. Herodotus' treatment of religious belief and oracles, politics and war, and his portrayal of certain prominent individuals are specifically investigated. The final chapter situates Herodotus in his historical context.

John Hart's lucid, well-informed and lively discussion of Herodotus will be value to A-level candidates, school teachers, undergraduates, lecturers and curious non-classicists alike.

Written within good manner for you, dripping every ideas and composing skill only for eliminate your current hunger then you still uncertainty Herodotus and Greek History (Routledge Revivals) as good book but not only by the cover but also with the content. This is one guide that can break don't judge book by its protect, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your studying sixth sense already told you so why you have to listening to yet another sixth sense.

Daniel White:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Herodotus and Greek History (Routledge Revivals) can make you sense more interested to read.
