Making the Move to eLearning: Putting Your Course Online Kay Lehmann

Making the Move to eLearning proposes a radical truth?that online education, when taught using the methodology perfected by successful veterans of distance learning, surpasses traditional face-to-face teaching and learning. The key is for online educators to learn just what those successful methods are and how to emulate them in their own virtual courses. *Making the Move to eLearning* is the textbook for new and veteran online teachers who want to learn or refine their online facilitation skills.
