For Tara and her brother, Suraj, the year their mother and grandfather fled the village of Morni in the middle of the night has been a nightmare. Their new stepmother is cruel and deceptive, and the village itself is lacking a healer. What's more, men of the village have been disappearing, often returning in a strange, altered form.

When a new healer, Zarku, a mysterious man with a third eye possessing strange power, suddenly appears in Morni, all are mesmerized by his magic – all except Tara, who sees through his evil disguise.

With nothing but her own courage and wit, Tara tries to find her missing mother and grandfather, the true healer, in time to save her village. But along the way she must enlist the help of the god Ganesh and the lord of death, Yama, or she, like others before her, will fall victim to Zarku's third eye.
