Rosellen Brown

Before and After: A Novel Rosellen Brown

Beautifully written, compassionate and wise, Rosellen Brown's novel is the extraordinary story of a family's struggle to survive the throes of a tragedy. *Before and After* centers on Carolyn and Ben Reiser and their two children, Judith and Jacob, who live comfortably in a small New England town. When the chief of police comes looking for seventeen-year-old Jacob to question him about the bludgeoning to death of his girlfriend, the Reisers' lives are changed forever. *Before and After* is the compelling drama of the search for Jacob, his capture, and the chain of events set in motion by a brutal crime of passion. It is a story that pits parent against parent, brother against sister, family against community, blood loyalty against the law. With a flawless ear for dialogue and profound understanding of character and motive, Rosellen Brown has written a heart-wrenching novel that questions the very nature of violence in our society and our ability to ever really know our children.

Pablo Cook:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Before and After: A Novel can make you sense more interested to read.
