Nuestras Vidas Son los Rios: Una Novela (Spanish Edition) Jaime Manrique

Ambientado en la majestuosa geografía de los Andes, este libro apasionante cuenta la vida de Manuela Sáenz, quien ganó su lugar en la historia como el gran amor del libertador de Suramérica, Simón Bolívar.

La vida de Manuela Sáenz en sí es fascinante. Abandonando su posición como una de las mujeres más ricas de Lima, Sáenz trabajó clandestinamente con conspiradores para derrocar los representantes corruptos del reino español. Este camino eventualmente la llevó a conocer a Bolívar en 1822, cuando ella tenía veinticinco años. La atracción fue inmediata y por ocho años fueron amantes, hasta la muerte de Bolívar. Durante esta época turbulenta, Manuela luchó en varias batallas, consiguiendo el rango de coronel, y fue eventualmente encarcelada, herida y por último desterrada de por vida de Colombia y Ecuador.

Nuestras Vidas Son los Ríos dramatiza la lucha de Suramérica por su independencia no solo desde el punto de vista de Sáenz, si no también desde la mirada de otras dos mujeres excepcionales: Natán y Jonotás, las esclavas de Sáenz. Con este paso audaz, Manrique muestra diferentes (y a veces encontradas) versiones de Bolívar, de Manuela y de las consecuencias importantes del movimiento de independencia—no solo para los descendientes españoles, si no también para los esclavos y para la enorme población indígena de los Andes.

Esta novela ejemplar de Manrique revela a Manuela Sáenz como una mujer única y brillante a quien lectores modernos encontrarán imposible de olvidar.
