My Life After Death: A Guide To The Afterlife David Ong

Enlightenment came through my death. I have proof of being out of my body (Chapter 6), and my life changed a lot after my death. Before my death, I was a star athlete with a very high I.Q. and was motivated by everything physical. I only dated girls who were very attractive only on the outside. I had a moment of clarity when I was dead; a moment that I will forever remember. I was living my life all wrong! This book is a self-help manual of the best kind. It is a self-help manual we all need, every one of us. Especially those of us who think we do not need one.
