The Dead Wife's Handbook: A Novel Hannah Beckerman

Rachel, Max, and their daughter Ellie had the perfect life—until the night Rachel's heart stopped beating. She was thirty-six.

Just as her family can't forget her, Rachel can't quite let go of them either. Caught in a place between worlds, Rachel watches helplessly as she begins to fade from their lives.

This fresh debut novel touches on the various stages of bereavement, from denial to acceptance. As Max and Ellie work through their grief, Rachel too struggles to come to terms with her death. And as her husband starts to date again, Rachel realizes that one day Max will find love, and that Ellie will have a new mother figure in her life.

The Dead Wife's Handbook is a heartwarming and touching book, very commercial in its approach and a compelling read. It will touch a wide readership, and is a perfect read for fans of the bestseller *The Lovely Bones*.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
