What type of right is a property right? How are items of property classified for legal purposes? In this revised edition of *Personal Property Law*, Michael Bridge provides answers to these fundamental questions of property law. His critical analysis includes new material on insolvency, in particular the anti-deprivation principle and the pari passu rule, as well as comprehensive accounts of recent case law (*OBG v Allan*, *Yearworth*, and *Datastream*), and statutory developments.

It focuses on the acquisition, loss, transfer, and protection of interests in personal property law, and specific topics include: ownership and possession; treatment of the separate contributions of the common law and equity to modern personal property law; discussion of modes of transfer; the means of protecting property interests; the resolution of disputes concerning title to personal property; the grant of security interests, and the issues arising out of the transformation and mixing of tangible personal property.
