**The Prince**

Every year I send my men out to scour the Kingdom and new lands for women for my harem. I am always pleased by what they return with, but this time there is someone who stands out from all the rest who have gone before. She has stirred something deep within me; something I no longer thought was there. Still, I am the Prince and she must do as I command. She will become what I want her to become.

**Nera**

I was taken from my lands and brought to this Royal Palace in the mountains. The Prince wants to use us as his playthings, but I for one will not bow down to this treatment. I will escape or die. And yet every time I am with him a fog comes over me and he is all I want- his lips and his body against mine. But no matter how I feel I cannot become what he wants of me.
