Un cuarto propio (Spanish Edition)

Virginia Woolf

Un cuarto propio (Spanish Edition) Virginia Woolf

"No hay marca en la pared para medir la precisa estatura de las mujeres. No hay medidas...que determinen las condiciones de una buena madre o el cariño de una hija, la fidelidad de una hermana o la capacidad de una ama de llaves", comenta Virginia Woolf en este ensayo, pero lo que también nos dice es que para escribir una novela una mujer tiene que tener un cuarto propio y comida caliente; en resumen, tener una vida propia e independiente.

Lejos de ser un alegato furibundo contra los hombres, *Un cuarto propio* es un elegante ensayo que ya en 1929 ponía sobre la mesa unos temas que aun hoy son objeto de debate, como la dependencia económica de la mujer con respecto al hombre, el cuidado de una familia y la figura de la mujer como musa inspiradora del artista pero con poca presencia en la práctica de la creatividad.

Este ensayo, publicado ya repetidas veces en España, se presenta ahora de forma inédita: su formato va a ser especial y además de la traducción de Jorge Luis Borges y el prólogo de Kirmen Uribe, va a contar con unas espléndidas ilustraciones de la joven dibujante norteamericana Becca Stadtlander.

"La vida para todos nosotros, hombres y mujeres...es difícil, ardua: una lucha que no se acaba nunca y nos reclama mucho valor y fuerza. Bien mirado, lo que quizá nos reclame más que nada, siendo como somos criaturas hechas de vaguedades, es confianza en nosotros mismos." *Virginia Woolf*
