Inventing the Medium: Principles of Interaction Design as a Cultural Practice (MIT Press) Janet H. Murray

Digital artifacts from iPads to databases pervade our lives, and the design decisions that shape them affect how we think, act, communicate, and understand the world. But the pace of change has been so rapid that technical innovation is outstripping design. Interactors are often mystified and frustrated by their enticing but confusing new devices; meanwhile, product design teams struggle to articulate shared and enduring design goals. With *Inventing the Medium*, Janet Murray provides a unified vocabulary and a common methodology for the design of digital objects and environments. It will be an essential guide for both students and practitioners in this evolving field. Murray explains that innovative interaction designers should think of all objects made with bits -- whether games or Web pages, robots or the latest killer apps -- as belonging to a single new medium: the digital medium. Designers can speed the process of useful and lasting innovation by focusing on the collective cultural task of inventing this new medium. Exploring strategies for maximizing the expressive power of digital artifacts, Murray identifies and examines four representational affordances of digital environments that provide the core palette for designers across applications: computational procedures, user participation, navigable space, and encyclopedic capacity. Each chapter includes a set of Design Explorations -- creative exercises for students and thought experiments for practitioners -- that allow readers to apply the ideas in the chapter to particular design problems. *Inventing the Medium* also provides more than 200 illustrations of specific design strategies drawn from multiple genres and platforms and a glossary of design concepts.

From reader reviews:

Eugene Glover:

Here thing why that *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press) are different and trusted to be yours. First of all studying a book is good but it depends in the content than it which is the content is as yummy as food or not. *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press) giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press). It gives you thrill studying journey, its open up your current eyes about the thing in which happened in the world which is probably can be happened around you. You can easily bring everywhere like in playground, café, or even in your means home by train. In case you are having difficulties in bringing the published book maybe the form of *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press) in e-book can be your option.

Sheila Foxworth:

Hey guys, do you desires to finds a new book to see? May be the book with the subject *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press) suitable to you? Often the book was written by popular writer in this era. The particular book untitled *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press) is the main of several books in which everyone read now. This book was inspired many men and women in the world. When you read this reserve you will enter the new dimensions that you ever know ahead of. The author explained their idea in the simple way, therefore all of people can easily to understand the core of this reserve. This book will give you a great deal of information about this world now. In order to see the represented of the world within this book.

Rosalva Nichols:

People live in this new day of lifestyle always attempt to and must have the spare time or they will get lots of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely sure. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, the actual book you have read is usually *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press).

Vanessa Gibson:

Do you have something that you prefer such as book? The publication lovers usually prefer to opt for book like comic, small story and the biggest the first is novel. Now, why not seeking *Inventing the Medium: Principles of Interaction Design as a Cultural Practice* (MIT Press) that give your satisfaction preference will be satisfied through reading this book. Reading behavior all over the world can be said as the way for people to know world far better then how they react toward the world. It can't be explained constantly that reading

practice only for the geeky person but for all of you who wants to become success person. So , for all you who want to start looking at as your good habit, you can pick Inventing the Medium: Principles of Interaction Design as a Cultural Practice (MIT Press) become your current starter.
