Music City's Showcase Tennessean

“Music City’s Showcase” takes the reader inside Nashville’s new Music City Center. The state-of-the-art convention complex boasts acres of exhibit space, art installations and a “green” roof. Beyond its gee-whiz features, though, Music City Center is Nashville’s largest civic project, and by the time of its May 2013 opening already symbolized the city’s economic aspirations. The center helps draw thousands of visitors each week. This book also highlights a downtown quickly becoming one of the world’s must-see places.
