Redeeming Singleness (Foreword by John Piper): How the Storyline of Scripture Affirms the Single Life Barry Danylak

Though marriage is highly esteemed throughout Scripture, the Bible also affirms singleness as an important calling for some Christians. *Redeeming Singleness* expounds a theology of singleness that shows how the blessings of the covenant are now directly mediated to believers through Christ.

Redeeming Singleness offers an in-depth examination of the redemptive history from which biblical singleness emerges. Danylak illustrates the continuity of this affirmation of singleness by showing how the Old Testament creation mandate and the New Testament kingdom mandate must both be understood in light of God's plan of redemption through spiritual rebirth in Christ.

As the trend toward singleness in the church increases, the need for constructive theological reflection likewise grows. *Redeeming Singleness* meets this need, providing encouragement to those who are single or ministering to singles and challenging believers from all walks of life to reflect more deeply on the sufficiency of Christ.
