## **The Women Widowed to Themselves** Lora Mathis

The Women Widowed to Themselves is Lora Mathis' first full-length book of poetry. Bold, feminine, and unapologetic, it deals with themes of mental illness, femininity, and regaining autonomy over your body.

Meggie Royer said: "Lora Mathis debuts her first collection of poetry with a kind of ferocity and brutal honesty that is all too often difficult to come by in a world built to raise the voices of men and silence those of women. These poems, like their author, have been wounded and touched in all the wrong ways, but still shine through with the softness and snarl of something brave and true. Mathis will take you through the failed parties and the bad beers, the self-loathing and the desperate texts that all come with being a young woman who struggled to survive the growing pains and aches of adolescence, and leave you full of awe and clarity."
