Discipline and lack of motivation are two of the most vexing problems facing teachers today. *Discipline in the Secondary Classroom, Second Edition* gives high school teachers step-by-step guidance for designing a behavior management plan that will help prevent misbehavior and increase student motivation. The book is a hands-on resource that contains easy-to-implement strategies distilled from a research-based approach that is proactive, instructional, positive, and effective.

*Discipline in the Secondary Classroom, Second Edition* is filled with forms, samples, and evaluation tools that will help teachers continually fine-tune their management plan to reach more students. Both new and seasoned teachers will find this book invaluable for designing a management plan that prevents problems, motivates students, and teaches them to behave responsibly. The book also equips the teacher with techniques for responding to misbehavior in a calm and consistent manner.
