Shadowplay (BookStrand Publishing Romance) Elisa Paige

[BookStrand Fantasy Romance, Vampires] The world's first Fae trouble-shooter, Mia has survived the centuries--and her royal father's assassins--by trusting no one and by pounding the bleeding hell out of her enemies. Then she meets Roddie, an Irish immortal with the skill to dodge even her most lethal attacks. Intrigued by the spirit beneath Mia's warrior exterior, Roddie resolves to recruit her for a new, cross-supernatural alliance--the Vampires' last, desperate bid to avoid extinction. Trained solely to fight, Mia is defenseless against the Irishman's flashing blue eyes and killer dimples. And despite herself, she begins to consider a life that includes love. Trouble is, softening her hair-trigger reflexes could get her killed. But this time, Mia can't do her usual disappearing act. This time, she has to make a stand, and face her father's brutality and her own tortured past. Because now it's not just Mia who's targeted for assassination. It's Roddie. ** A BookStrand Mainstream Romance
