## **Un viaje a las islas canarias (Escala en Tenerife) (Spanish Edition)** Víctor Pruneda

Este libro narra el apasionante viaje que realizó el autor desde Teruel hasta llegar a Tenerife camino del destierro. Sus vivencias y una sencilla descripción histórica de las Islas Canarias acompañan su relato sobre su paso por la isla a mediados del siglo XIX.

Cuando se nos habla de exilio republicano pensamos rápidamente en la Guerra Civil española y en las represalias surgidas tras la contienda, pero no nos acordamos de los republicanos <> de un siglo atrás. Éste es el caso de Víctor Pruneda, que llevará durante toda su vida una lucha contra las formas de gobierno que se sucederán en esta etapa marcada por las insurrecciones y levantamientos militares, siempre desde un plano crítico y a <> que le va a granjear muchos enemigos, pero a su vez le llevará a poseer unas cualidades humanas y políticas muy apreciadas por otro gran número de seguidores, que quedan reflejadas en el trato que recibe en su largo peregrinaje hasta Canarias. Su faceta periodística se puede apreciar en la objetividad que intenta impregnar en su narración.
