*The one guy she can't have is the one she can't forget.*

Liam Quinn is one of the biggest movie stars in the world...and the only man Elissa Holt has ever truly loved.

After being out of her life for six years, he and his gorgeous fiancé are set to star in the new Broadway show Elissa is stage managing. The only trouble is, when late night rehearsals bring Elissa and Liam together, the line between *what is* and *what could have been* gets blurred. Now one moment of weakness is about to create a scandal that will echo around the world.

Elissa knows that falling for Liam again would be a tragedy in the making, but as any good romantic knows, love doesn't always follow the script.
