Blood Brother

Anne Bird

Blood Brother Anne Bird

What happens if, after being given up for adoption in childhood, you reestablish contact with your biological family -- only to discover that your newfound brother is a killer?

Anne Bird, the sister of Scott Peterson, knows firsthand.

Soon after her birth in 1965, Anne was given up for adoption by her mother, Jackie Latham. Welcomed into the well-adjusted Grady family, she lived a happy life. Then, in the late 1990s, she came back into contact with her mother, now Jackie Peterson, and her family -- including Jackie's son Scott Peterson and his wife, Laci. Anne was welcomed into the family, and over the next several years she grew close to Scott and especially Laci. Together they shared holidays, family reunions, and even a trip to Disneyland. Anne and Laci became pregnant at roughly the same time, and the two became confidantes.

Then, on Christmas Eve 2002, Laci Peterson went missing -- and the happy façade of the Peterson family slowly began to crumble. Anne rushed to the family's aid, helping in the search for Laci, even allowing Scott to stay in her home while police tried to find his wife. Yet Scott's behavior grew increasingly bizarre during the search, and Anne grew suspicious that her brother knew more than he was telling. Finally she began keeping a list of his disturbing behavior. And by the time Laci's body -- and that of her unborn son, Conner -- were found, Anne was becoming convinced: Her brother Scott Peterson had murdered his wife and unborn child in cold blood.

Filled with news-making revelations and intimate glimpses of Scott and Laci, the Peterson family, and the investigation that followed the murder, **Blood Brother** is a provocative account of how long-dormant family ties dragged one woman into one of the most notorious crimes of our time.

From reader reviews:

Ruth Ward:

In this 21st centuries, people become competitive in each and every way. By being competitive at this point, people have do something to make them survives, being in the middle of typically the crowded place and notice through surrounding. One thing that often many people have underestimated the item for a while is reading. That's why, by reading a book your ability to survive boost then having chance to stand than other is high. For you personally who want to start reading the book, we give you this Blood Brother book as basic and daily reading reserve. Why, because this book is greater than just a book.

Charles Siegrist:

As we know that book is significant thing to add our know-how for everything. By a book we can know everything we wish. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This e-book Blood Brother was filled with regards to science. Spend your free time to add your knowledge about your scientific research competence. Some people has several feel when they reading some sort of book. If you know how big benefit from a book, you can feel enjoy to read a guide. In the modern era like right now, many ways to get book you wanted.

William McNeill:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Blood Brother can make you experience more interested to read.

Audrey Mack:

Reading a publication make you to get more knowledge from that. You can take knowledge and information from your book. Book is created or printed or illustrated from each source in which filled update of news. In this particular modern era like now, many ways to get information are available for a person. From media social just like newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just seeking the Blood Brother when you needed it?
