An incisive and thought-provoking compilation of facts, ideas, anecdotes and episodes – accentuating the significance of ingenuity, originality and empirical knowledge. Deadlines, rigid systems, standard operating procedures and targets often force us to come up with static solutions in today’s dynamic world. But in today’s world scenario, we need people who can think, who are creative, and who get inspired by the things around them. Open the Windows will unleash the power of your observations and make you look at the world differently. Learn how to find innovative solutions to the day-to-day challenges you face in both your personal and professional lives. This powerful book on self-empowerment and leadership principles offers a wealth of ideas and techniques for achieving success. The author conveys fundamental principles of management and the art of living in a lucid manner, and eventually relates his experiences to India, and talks about how we can grow and become a force to reckon with in today’s world. He also gives a refreshing perspective on how managers of the 21st century need to approach situations if India is to live up to its actual potential.
