A HOT Dragon looking for his baby mama. What will come out of it? Find out in this Fiery New Dragon Shifter Romance! ***

CHAD

I gave up on love a long time ago. There is no one in this world who could love a dragon.

I will settle for an heir but first I need to find someone to have a little fun with. I'm sure she'll understand that dragons can only have babies the old fashioned way.

She's everything I ever wanted, big beautiful and hotter than the fire inside of me... but this is just a contract. As soon as the baby is born she will disappear forever and our passionate nights will come to an end.

KITTY

I don't care about love. I just want to be a hunter. I just want to hunt creatures but I can't because I have impure blood...

I never thought I'd ever answer an ad to have the child of a dragon-shifter....

But I need the money...

I just never expected to fall in love.
