Evidence in Context: Volume 2 Jonathan Doak, Claire McGourlay, Mark Thomas

Evidence in Context explains the key concepts of evidence law in England and Wales clearly and concisely, set against the backdrop of the broader political and theoretical contexts. The book helps to inform students of the major debates within the field, providing an explanation as to how and why the law has developed as it has.

This fourth edition has been revised and expanded to include developments in the law of hearsay evidence as well as recent litigation surrounding witness anonymity orders, bad character and vulnerable witnesses. It also addresses the on-going controversy and debate about the use of expert witnesses. A brand new chapter considers the contentious issue of public interest immunity, and the introductory chapter has been substantially expanded to consider the continuing interplay between the UK courts and the European Court of Human Rights as the role of human rights in evidence becomes increasingly important.

Features include:

- Key learning points to summarise the major principles of evidence law
- Practical examples to help students understand how the rules are applied in practice
- Self-test questions to encourage students to reflect on what they have learned
- A supporting companion website including answers to self-test questions

Well-written, clear and with a logical structure throughout, *Evidence in Context* contains all the information necessary for any undergraduate evidence law module.

Agatha Roughton:

People live in this new day time of lifestyle always aim to and must have the free time or they will get large amount of stress from both daily life and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not a robot. Then we consult again, what kind of activity have you got when the spare time coming to you actually of course your answer can unlimited right. Then do you ever try this one, reading guides. It can be your alternative with spending your spare time, the particular book you have read is usually Evidence in Context: Volume 2.

Augustus Chase:

Would you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you never know the inside because don't ascertain book by its protect may doesn't work at this point is difficult job because you are frightened that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer may be Evidence in Context: Volume 2 why because the great cover that make you consider concerning the content will not disappoint a person. The inside or content is definitely fantastic as the outside or maybe cover. Your reading sixth sense will directly guide you to pick up this book.

Kevin Williams:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just little students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Evidence in Context: Volume 2 can make you sense more interested to read.
