Sometimes in life you hit plateaus where you know deep down that there must be something more, but you aren't sure what it is. It can feel like you're stuck in neutral--revving the engine as hard as you can, but not going anywhere. It's frustrating, to say the least!

If you don't know how to drive a car, it's easy to blame the vehicle for your lack of progress--just like it's easy to blame your boss or your circumstances.

The truth is it's you who has to reach down and shift the gears so you can move forward.

The same is true in life. "Shifting Gears" will help you find the right gear to help you gain traction, move forward, and accelerate your success.

If you're stuck in neutral, this book will help you:

Shine a light on road blocks that keep you stuck

Build your confidence so that you can venture out of your comfort zone

Harness your drive and motivation to accelerate success

You don't have to stay stuck another minute!

Are you ready to drive forward to your next level of success in your life and your career?
