## **The ACA Encyclopedia of Counseling** American Counseling Association

This premiere counseling reference book is ideal for students, educators, supervisors, researchers, and practitioners seeking to quickly update or refresh their knowledge of the most important topics in counseling. More than 400 entries span the 2009 CACREP core areas used in counselor preparation, continuing education, and accreditation of counseling degree programs, making this a perfect text for introductory counseling classes or for use as a study guide when preparing for the National Counselor Exam.

This encyclopedia makes counseling come alive through its user-friendly writing style; instructive examples that connect readers to practice, teaching, supervision, and research; and its helpful cross-referencing of entries, boldfaced important terminology, and suggested resources for further study.
