**Un lugar cercano a la locura (Spanish Edition)** Agustín Benítez Ochoa

La novela relata, de una manera intimista, la vida de un joven durante el Movimiento Estudiantil de México, en 1968. No se trata de una cronología del Movimiento ni de un documento histórico de los hechos acontecidos. Es la narración del transcurrir de la vida de un joven miembro de una brigada estudiantil; de sus alegrías, sus dolores, sus amores y sus frustraciones, durante ese periodo. Paralelamente, el libro describe el deterioro de la vida del mismo personaje en su edad adulta, como consecuencia de esa experiencia. Es una historia que mezcla fantasías y realidades sin hacer mucha diferencia entre ellas.
