Limb Against Limb is a convicting compilation of the Rhema revealed to author Dennis Rogers by the Holy Spirit. This is not a book of feel good emotions or a spiritual high. But neither do these pages contain hard-to-understand theology or convoluted Christianese. As Dennis says, 'Since I am not a Bible college graduate, my explanations will be in terms that the Holy Spirit used to explain them to me.' What are these explanations? Limb Against Limb takes an honest look at Christianity and exposes an unlikely source of Satan's fiery darts: a judgmental body of Christ. Churchgoers created legalistic rules, traditions of men that turn into the slings and arrows of God's anointed, which have inadvertently been damaging God's children. Multiple denominations were and are involved, eventually affecting the entire nation. What's the solution? The culprit--wrongly judging the body of Christ--is rarely considered. We never look at how we handle the slings and arrows of God's anointed, the judgments passed by pious Christians, a potential source for weeds that can be planted in our garden. Limb Against Limb shows a simple 'how to' lifestyle to wake up to God's new mercies every morning. See these slings and arrows as opportunities to be blessed while keeping your garden weed free.
