Maddie had forgotten that cursed summer. Now she's about to remember...

“Madeleine Chambers of Hargest House” has a certain grandeur to it. But as Maddie enters the Gothic mansion she inherited from her aunt, she wonders if its walls remember what she’s blocked out of the summer she turned sixteen.

She’s barely settled in before a series of bizarre events drive her to question her sanity. Aunt Charlotte’s favorite song shouldn’t echo down the halls. The roots of a faraway willow shouldn’t reach into the cellar. And there definitely shouldn’t be a child skipping from room to room.

As the barriers in her mind begin to crumble, Maddie recalls the long-ago summer she looked into the face of evil. Now, she faces something worse. The mansion’s long-dead builder, who has unfinished business—and a demon that hungers for her very soul.
