*CFO Insights: Delivering High Performance* explores the implications of Accenture's high performance finance research and interprets the link between high performance business and the role of the CFO in delivering this. Written from the perspective of the Chief Financial Officer, the book provides real-world, relevant examples, including flagship interviews with CFOs of high performing businesses. The book also includes industry analyses prepared by the Accenture Strategy and Business Architecture Practice, case studies, and chapters dedicated to the CFO and financial practices of Japan, China, Latin America, and Eastern Europe.
