Movie and Television Locations

Leon Smith

Movie and Television Locations Leon Smith

It is often said that the greater Los Angeles area is the largest movie set in the world, and if a person lives there long enough their home or street will probably be featured in a film or television show. The tourism industry in Tinseltown is huge business, with thousands of devoted fans each day flocking to see just where their favorite star's blockbuster was filmed.

This work documents locations used in over 335 motion pictures and 86 television series filmed in Los Angeles and San Diego. The locations were identified and verified after an extensive review of films, video tapes, site photographs, and personal interviews with film industry personnel. Included are synopses of the motion pictures and television series cited; an exhaustive index provides instant access to names, places, monuments, landmarks, film studios, film titles and television titles.

From reader reviews:

Jack Lau:

In this 21st millennium, people become competitive in every way. By being competitive currently, people have to do something to make themselves survive, being in the middle of the actual crowded place and notice simply by surrounding. One thing that often many people have underestimated the item for a while is reading. Yep, by reading a publication your ability to survive boost then having chance to stand than other is high. For you who want to start reading a book, we give you that Movie and Television Locations book as beginning and daily reading e-book. Why, because this book is more than just a book.

Brandon Riddle:

Information is provisions for individuals to get better life, information currently can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider whenever those information which is in the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Movie and Television Locations as your daily resource information.

Leroy Mallett:

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their own reader with their story or perhaps their experience. Not only the storyplot that share in the publications. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some analysis before they write for their book. One of them is this Movie and Television Locations.

Cami Raley:

A lot of people said that they feel bored when they reading a e-book. They are directly felt the idea when they get a half elements of the book. You can choose the book Movie and Television Locations to make your current reading is interesting. Your current skill of reading talent is developing when you like reading. Try to choose simple book to make you enjoy to see it and mingle the idea about book and reading through especially. It is to be initially opinion for you to like to wide open a book and examine it. Beside that the reserve Movie and Television Locations can to be your new friend when you're experience alone and confuse in what must you're doing of their time.
