Holy Superheroes! Revised and Expanded Edition: Exploring the Sacred in Comics, Graphic Novels, and Film Greg Garrett

Spider-Man. Batman. The X-Men. The Fantastic Four. Comic books and the characters they have spawned have become twenty-first-century mythology. Greg Garrett helps us see the profound depth that can be found in the glossy, fast-paced, and often violent world of comics, graphic novels, and the films they inspire. *Holy Superheroes!* provides extensive discussions of some of our most beloved comic heroes and concludes with an appendix of twenty-five comics and graphic novels for discussion of spirituality and comics.
