Homoeopathic Preventive Medicine Compton Frederick L.

Prevention is always better than cure. This manual provides the information necessary for the treatment and prevention of common and uncommon diseases by homeopathy. The work is an outcome of the experience of the masters and the author himself on homeopathic prevention of infections, surgical conditions and other acute complaints. It covers a wide range of diseases with their prophylactic homeopathic prescription. It is organised in alphabetical order for quick reference and lists over 200 illnesses and provides brief descriptions and suggested homeopathic treatment for each one. In today's time when medical bills are always a heavy toll in our pockets, this book on prevention comes as a sigh of relief. It features alphabetical arrangement of the diseases with preventive homeopathic treatment. It illustrates the role of homeopathic medicines for each disease condition as preventive as well as curative. It implies remedies for each disease with dosage and potency. It suggests homeopathic medicines that can be used in place of vaccination. It includes a list of homeopathic medicines which can be used as preventive for side effects of allopathic drugs. It covers pre- and post-operative homeopathic treatment.
