## **K.C.S.E. Golden Tips: Physics Practicals** Philip Amuyunzu Mang'are

A revision guide book for Physics practicals. Its purpose is to enhance the learner's ability to follow examination instructions, reason logically, solve examination tasks and face everyday life challenges. This is a book which emphasizes on practical skill acquisition with special emphasis on analysis of data collected and the proper use of it. The approach given compounded with the actual performance of experiments (including other experiments not necessarily included in this book) will guarantee high scores in the Physics practical examinations.

Because of logistical difficulties and high costs, many schools in developing countries do not have easy access to textbooks. Worldreader addresses that problem using e-reader technology. Worldreader works with textbook publishers across the developing world to offer a range of digital textbooks to schools as part of their wider goal to promote literacy by bringing books to all.
