Britain has some of the most beautiful woodland in the world, with some of the most beautiful inhabitants. All year round, the trees in forests, copses and wastelands offer our feathered friends food, shelter and a place to congregate and show-off.

Now, in this beautiful follow-up to *Our Garden Birds* and *Our Songbirds*, street artist Matt Sewell captures Britain's unique woodland life with his charming and distinctive illustrations. Featuring an array of enchanting scenes, from bramble-picking Blue Tits and a flight of Finches to a parliament of young Tawny Owls, Matt's quirky, pop-art watercolours and whimsical descriptions express the individual characters of our woodland birds as never before. A delightful gift, this book will appeal to bird-watching enthusiasts, children, adults and art and design fans alike.
