## **Poemas en prosa (Spanish Edition)** César Vallejo

César Vallejo es una de las voces poéticas más singulares de Latinoamérica. Desde sus inicios modernistas, abordará un tono intimista de fuerte carga social y con una honda preocupación por el desvalimiento y el sufrimiento de sus semejantes. Su lenguaje se abre a la experimentación, con diversos registros y con la peculiaridad de plasmar poéticamente una suerte de proceso anímico hermético, a la vez que cargado de reclamo de las libertades del individuo.

En su primer periodo escribe *Los heraldos negros* (1918), con algunos poemas de logros expresivos notables. Después, más influido por las corrientes artísticas y literarias vanguardistas, Vallejo escribirá un innovador libro que aún hoy sigue causando admiración: *Trilce* (1922). De sus demás libros de poesía solo verá publicado en vida *España, aparta de mí este cáliz* (1938), libro de tono admonitorio contra la injusticia ante la evidencia de la derrota republicana. Póstumamente aparecieron *Poemas en prosa* (1928-1938), *Poemas humanos* (1932-1937), *La piedra cansada* (1938) y otros versos aparecidos en antologías. De ellos, y junto a *Trilce*, quizá es *Poemas humanos* el que contiene los poemas más representativos de su innovador registro poético, así como de su peculiar visión social y humana, de rasgos apocalípticos y desesperanzados respecto al tipo de sociedad alienada e injusta que veía aproximarse.
