Freedom from the Religious Spirit

Freedom from the Religious Spirit

Composed of archaic traditions and obsolete practices, and masterminded by the enemy of our souls, the spirit of religion seeks to keep individual believers and the corporate church stagnant and unaware of the call of the Holy Spirit for change. We witnessed the spirit of religion when the Pharisees failed to recognize the coming of the Christ. Today, the spirit of religion can be so subtle that we are unaware of its impact, instead being deceived into believing that God is directing us. Only when we recognize the hold that this counterfeit religion has over Christianity can we be freed to experience the transformation of the Holy Spirit in our lives and in the heart of the church. Join C. Peter Wagner and other dynamic Christian leaders as they unveil the dark influence of the spirit of religion.
