The Queen's Pawn Christy English

A historical novel of the legendary Eleanor of Aquitaine and the one person she loved more than power-her rival for the throne.

At only nine, Princess Alais of France is sent to live in England until she is of age to wed Prince Richard, son of King Henry II and Queen Eleanor of Aquitaine. Alais is an innocent pawn on the chessboard of dynastic marriage, her betrothal intended to broker an uneasy truce between the nations.

Estranged from her husband, Eleanor sees a kindred spirit in this determined young girl. She embraces Alais as a daughter, teaching the princess what it takes to be a woman of power in a world of men. But as Alais grows to maturity and develops ambitions of her own, Eleanor begins to see her as a threat-and their love for each other becomes overshadowed by their bitter rivalry, dark betrayals, conflicting passions, and a battle for revenge over the throne of England itself.

Ashley Wright:

In this age globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The actual book that recommended to you personally is The Queen's Pawn this publication consist a lot of the information of the condition of this world now. This kind of book was represented just how can the world has grown up. The language styles that writer value to explain it is easy to understand. Typically the writer made some exploration when he makes this book. That is why this book suitable all of you.

Sylvester Perkins:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Queen's Pawn can make you really feel more interested to read.
