Angels of Mercy CJ Lyons

From Book 1: From the *New York Times* bestselling author of *Blind Faith* comes the first book in the Angels of Mercy series—a gripping behind-the-scenes drama of four women who face life and death every day...

July 1st—Transition Day. The most dangerous day of the year. The day staff at Pittsburgh’s Angels of Mercy Hospital braces for the arrival of the cocky, untested new interns. It’s also the first day for L.A. transplant Dr. Lydia Fiore, the new ER attending physician. Not a good day to lose a patient—especially not the Chief of Surgery’s son. Now, to save her career, Lydia must discover the truth behind her patient’s death, even as it leads her into unfamiliar—and risky—territory.

At least she’s not alone. There’s med student Amanda, a sweet Southern belle with problems of her own; Gina, a resident with a chip on her shoulder; and Nora, the take-charge charge nurse with a cool head but a fiery temper. Not to mention the paramedic who’d like to try his bedside manner out on Lydia. The four women will learn to depend on each other in their fight to save lives—because sometimes everyone needs a lifeline...

***Lifelines* includes a teaser for the second Angels of Mercy novel, *Warning Signs*.**

From reader reviews:

Jonathan Head:

The actual book Angels of Mercy will bring one to the new experience of reading a new book. The author style to explain the idea is very unique. Should you try to find new book to see, this book very acceptable to you. The book Angels of Mercy is much recommended to you to learn. You can also get the e-book from official web site, so you can quicker to read the book.

Karen Wells:

Playing with family in the park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try point that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Angels of Mercy, you can enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Thomas Jones:

This Angels of Mercy is completely new way for you who has interest to look for some information mainly because it relief your hunger of information. Getting deeper you in it getting knowledge more you know or else you who still having little digest in reading this Angels of Mercy can be the light food for yourself because the information inside that book is easy to get by simply anyone. These books create itself in the form and that is reachable by anyone, yes I mean in the e-book type. People who think that in book form make them feel sleepy even dizzy this reserve is the answer. So there is no in reading a publication especially this one. You can find actually looking for. It should be here for you actually. So , don't miss this! Just read this e-book kind for your better life as well as knowledge.

David Stephenson:

As we know that book is important thing to add our understanding for everything. By a book we can know everything we want. A book is a range of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This book Angels of Mercy was filled with regards to science. Spend your extra time to add your knowledge about your technology competence. Some people has diverse feel when they reading a book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like now, many ways to get book that you simply wanted.
