Praise Seeking Understanding: Reading the Psalms With Augustine (Radical Traditions (Paperback))

Jason Byassee

Praise Seeking Understanding sits at the intersection of three important fields in theology: theological exegesis, Augustinian studies, and contemporary church practice. Jason Byassee deftly brings the three together, revealing an important symbiotic relationship between them -- a relationship hitherto largely ignored.

Though current exegetical methods have swung away from a Christological reading of the Old Testament -- rejecting in particular Augustine's treatment of the text -- Byassee believes that is a mistake we must remedy. Using a recent translation of Augustine's *Enarrationes in Psalmos*, Byassee describes in depth Augustine's psalm hermeneutic and his approach to scripture generally, offering a defense of these views in conversation with recent work in theological exegesis.
