Desert Bighorn Sheep: Wilderness Icon Jorgensen, Mark C, Young, Jeff

Desert Bighorn Sheep: Wilderness Icon is the most comprehensive photographic work on this elusive symbol of the deserts of the southwest United States and northern Mexico. Photographer Jeff Young worked for years to assemble tens of thousands of high quality photographs and assemble them into what is the finest collection of desert bighorn photos ever published. Author Mark Jorgensen brings his five decades of experience studying desert bighorn sheep and managing their habitat to provide the informative text of this book. The book's six chapters features some 200 high quality photographs featuring rare behavior, sheep in their rugged desert habitat, ewes nurturing newborn lambs, and massive rams in stunning ritualized combat for dominance. The text documents the struggle to provide habitat for the desert bighorn from Nuevo Leon west to Baja California, Mexico, and from Texas west to California. Today, well-regulated hunting programs in the United States and Mexico have generated millions of dollars in revenue, which has been directed to bighorn management and conservation programs.
