The Transformation (Fantasy and Horror Classics) Mary Shelley

Mary Shelley wrote 'The Transformation' having been challenged by Lord Byron to pen an original ghost story. Eighteen months later, it became the classic novel, Frankenstein. The original tale provides fascinating insight into the story's genesis and beginnings. Many of the horror stories of monsters and ghouls, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
