Thumb Love Elise Primavera

Lulu was a thumb sucker. She and her thumb were very happy together—in sickness and in health, in good times and in bad, Lulu and her thumb were best friends.

Despite the urging of her family and the teasing of her friends, Lulu just would not give up her thumb-sucking habit. That is, until one day . . . when Lulu made up her mind to stop. And to help herself and thumb suckers all over the world, Lulu developed a program—one with steps. Twelve steps, to be exact. Join Lulu in her quest to kick the habit as she goes through the steps in this funny and insightful picture book.

Told in a light-hearted manner and filled with good humor about a universal and important concern, *Thumb Love* will be embraced by parents and caregivers alike. This is not an issue book but a story that will resonate with anyone who is—or was—a kid.

From the Hardcover edition.

From reader reviews:

George Bolin:

This Thumb Love book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this publication incredible fresh, you will get details which is getting deeper an individual read a lot of information you will get. This specific Thumb Love without we know teach the one who reading it become critical in considering and analyzing. Don't end up being worry Thumb Love can bring if you are and not make your carrier space or bookshelves' grow to be full because you can have it with your lovely laptop even cellphone. This Thumb Love having good arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Bessie Barrett:

Playing with family within a park, coming to see the water world or hanging out with buddies is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Thumb Love, it is possible to enjoy both. It is fine combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't understand it, oh come on its called reading friends.

James Daniels:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This Thumb Love can be the reply, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

Marla Fiske:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Thumb Love can make you sense more interested to read.
