Cartas sobre la mesa, Las (Spanish Edition) Faride Zerán Chelech

Las cartas sobre la mesa es un libro que reúne los discursos que apuntan a la mitad vacía del vaso, a la desnudez del emperador, a la precariedad de nuestras democracias, a la intemperie del pensamiento y a la crisis de la izquierda, entre otros temas. En estas páginas hay una selección del trabajo realizado por Faride en la Revista Rocinante, que por siete años –hasta su cierre en octubre del 2005– dio cuenta de los principales debates políticos, sociales, artísticos y culturales de la transición chilena, de América Latina y de Europa. Hay aquí cuarenta entrevistas a hombres y mujeres, chilenos y extranjeros. En muchas de ellas las interrogantes sobre la memoria, el pasado, la historia, son recurrentes. Como también la lectura de este tiempo carente de relatos, o el diagnóstico de la transición chilena con sus vacíos y frustraciones.
